Why Capstone Interactive eBooks are favorites in schools across the country:

- Read-aloud audio for EVERY book! Professional voice-over artists, not robotic text-to-speech, engage students and provide evidence-based scaffolding for pre-readers, struggling readers, English language learners, and more.
- Multi-user, simultaneous access. Say goodbye to hold lists and multiple copy purchases. Your Capstone Interactive eBooks can be used by every student in your school.
- No hidden fees. Pay a one-time fee for your selected titles or upgrade to Capstone Connect for yearly subscription bundles.
- Launch a book with 1 click! Use the easy copy-link feature to post one-click access for students in programs such as Google Classroom, Seesaw, and more. School librarians can request free MaRC records for 1-click access from your library catalog.
- Thousands of titles to choose from. From curriculum support to leisure reading, you are sure to find Capstone Interactive titles that meet your school's needs.
- Accessibility matters! Our eBook platform and reader are Section 508 compliant and W.C.A.G rated!
